

APPLICATION FOR LETTER OF INTEREST

The Letter of Interest (LI) is an indication of EXIM Bank's willingness to consider financing a given export transaction. Apply for an LI during the bidding or negotiating stage of an export sale when the following conditions exist: (1) You need an indication from EXIM Bank on the general eligibility of the transaction participants and the goods and services to be exported and/or (2) the repayment terms and other program guidelines in the LI provide you with specific enough guidance for your transaction.

An online version of this application is available on EXIM's website. EXIM strongly encourages customers to apply through EXIM Online (EOL), as it will facilitate our review and allow customers a faster response time. Additional information about applying for an EXIM Letter of Interest can be found on EXIM's website www.exim.gov.

The review of the Letter of Interest (LI) application includes comparing the transaction information to EXIM's cover policy and other basic eligibility criteria. The review also identifies any potential issues that may need to be analyzed in more detail when a final commitment (AP) application is reviewed. LIs may be restricted due to circumstances including, but not limited to; country conditions, economic impact, and/or excessive transaction or exposure amounts. EXIM may request additional information in connection with an LI application, and issuance of a Letter of Interest is at the sole discretion of EXIM. The LI has a validity period of one year and has an option to renew for an additional year. Please note that an LI does not represent a financing commitment by EXIM.

The Letter of Interest processing fee is \$100 and is non-refundable.
