■ **STEP 1:** Review the form data in various formats, by clicking on the phrases under Form Data. Corrections after submission may not be permissible, thereby possibly affecting your legal rights.

#### Form Data

■ [Input](#)

■ [XML File](#)

■ [Text Form](#)

■ **STEP 2:** If any of the information is incorrect, click on the Go Back to Modify button (bottom of this page) to make changes; then re-validate the form by clicking on the Validate Form button (bottom of the form).

**Note:** If you are using the e-signature approach or the handwritten pen-and-ink signature approach, you must click on the final link to access the specific "text form" for that purpose.

■ **STEP 3:** If there are no errors and you are ready to file, confirm the **Primary Email Address for Correspondence**, displayed below. To make changes to this email address, use the navigation buttons below to return to the appropriate page in the form and update either the attorney's email address, if appointed, or the applicant owner's/holder's email address. **Courtesy copies** are also permitted and these email address(es) are displayed below. To update these addresses, use the navigation buttons below to return to the Correspondence Information page and enter the changes.

Clicking on the "Continue" button at the bottom of that first page will then properly open the saved version of your form.
